Case Studies in Germany:

Kammerbauer, M., Wamsler, C. (2022): Flood insurance: A governance mechanism for supporting equitable risk reduction and adaptation? In: K. Booth, C. Lucas and S. French (eds.), *Elemental Insurance*. London: Routledge (forthcoming).

Snel, K., Kammerbauer, M., Wamsler, C. et al. (2022): Unpacking Notions of Residents' Responsibility in Flood Risk Governance. *Environmental Policy and Governance* (forthcoming).

Kammerbauer, M. (2021): Lehren aus der Flut. In: *Stadtbauwelt* 19/2021. [LINK](#)

Kammerbauer, M. (2019): Natural Hazards Governance in Germany. In: *Oxford Research Encyclopedia of Natural Hazard Science*, B. Gerber, C. Wamsler (eds.), New York: Oxford University Press. [LINK](#)

Borgmann, N., Kammerbauer, M. (2019): Aussperren oder anpassen? Zum Umgang mit Hochwasserrisiken. In: *DETAIL* 7/8 2019. [LINK](#)

Borgmann, N., Kammerbauer, M. (2019): Building for High Water: Architectural Approaches to Flood Risk. In: *DETAIL* 7/8 2019. [LINK](#)

Kammerbauer, M., Wamsler, C. (2018): Risikomanagement ohne Risikominderung? Soziale Verwundbarkeit im Wiederaufbau nach Hochwasser in Süddeutschland. In: *Raumforschung und Raumordnung* 76, 485-496. [LINK](#)

Kammerbauer, M. (2018): Hurra, wir sind resilient! Oder doch nicht? Betrifft: Was Hochwasser für Städte bedeutet. In: *Bauwelt* 7/2018. [LINK](#)

Kammerbauer, M., Wamsler, C. (2017): Social inequality and marginalization in post-disaster recovery: Challenging the consensus? In: *International Journal for Disaster Risk Reduction* 24, 411-418. [LINK](#)

Kammerbauer, M., Wamsler, C. (2017): Reconstructing Vulnerability After the 2013 European Floods: Oil Damage and Recovery. In: Urban Planning for Disaster Recovery, A. March, M. Kornakova, J. Leon (eds.), Philadelphia: Elsevier. [LINK](#)

Kammerbauer, M. (2014): Nach der Flut. Betrifft: Bayern nach dem Hochwasser 2013. In: Bauwelt 26/2014. [LINK](#)

Kaltenbach, F., Kammerbauer, M. (2014): Sanierung bei Schadstoffbelastung in Überschwemmungsgebieten – Wann kommt das “Hochwasserhaus”? In: DETAIL 5/2014. [LINK](#)

Kammerbauer, M., Kaltenbach, F. (2014): Housing Rehabilitation after Oil Contamination in Floodplains - Anticipating the "Flood Adaptive Home". In: DETAIL International Edition 4/2014. [LINK](#)

Case Studies in the USA:

Kammerbauer, M. (2021): Coping with compounded crises. In: Topos 115.

Kammerbauer, M. (2019): Thresholds towards resilience – there's a new mayor in town. New Orleans' 300th anniversary. In: Topos 105. [Link](#)

Kammerbauer, M. (2015): Learning the Hard Way. Betrifft: New Orleans 10 Jahre nach Orkan Katrina. In: Bauwelt 31/2015. [Link](#)

Kammerbauer, M. (2015): Adaptive strategies of urban disaster recovery planning. In: Planning for and Recovering from Urban Disasters, P. Filion, M. Skidmore, G. Sands (eds). Farnham: Ashgate. [Link](#)

Kammerbauer, M. (2014): Asymmetrischer Wiederaufbau in Städten nach Katastrophen - Das Lower Ninth Ward in New Orleans nach Orkan Katrina. In: Raumforschung und Raumordnung 72(5), 427-439. [Link](#)

Kammerbauer, M. (2013): Planning Urban Disaster Recovery. Spatial, institutional and social aspects of urban disaster recovery in the USA – New Orleans after Hurricane Katrina. Weimar: VDG/ Schriftenreihe Bau- und Immobilienmanagement. [Link](#)

Kammerbauer, M. (2013): Schismo-urbanism: Cities, Natural Disaster, and Urban Sociology. In: Disasters Journal 37(3), 401-419. [Link](#)

Kammerbauer, M. (2013): Socio-spatial Phenomena of Urban Disaster: Schismourbanism as ‘Design’. In: Design Anthropology, Y. Milev (ed). München: Peter Lang. [Link](#)

- Kammerbauer, M. (2013): Adaptive strategies of urban disaster recovery planning. Presented paper (49th ISOCARP Congress 2013 Conference). [Link](#)
- Kammerbauer, M. (2013): Planning Urban Disaster Recovery. Presented poster (IRDR 3rd Annual Conference, UCL, London, 2013). [Link](#)
- Kammerbauer, M. (2011): An integrated Socio-Spatial Research Approach for long-term Urban Disaster Recovery. Presented paper (Urban Affairs Association 41st Conference, 16-19 March 2011, New Orleans). [Link](#)
- Kammerbauer, M. (2010): Planning for Dystopia/Green (Non-)Re-Building? Der Fall New Orleans. In: *Dérive* 39/2010. [Link](#)
- Kammerbauer, M. (2008): Evacuation and Return: Crisis Mobility in New Orleans following Hurricane Katrina. Presented paper (EFMSV Environment, Forced Migration & Social Vulnerability International Conference, 9-11 October 2008, Bonn/Germany). [Link](#)
- Kammerbauer, M. (2007): New Orleans, Katrina, soziale Verwundbarkeit. In: *Wiederaufbau nach Naturkatastrophen* (eds. Nicola Borgmann, Astrid Weisel), TU München, 2007. [Link](#)

Asia-Pacific Case Studies:

- Dimmer, C., Kammerbauer, M. (2022): Soziale Resilienz. Lernen/Lehren aus dem internationalen Kontext. In: *Planerin* (forthcoming).
- Kammerbauer, M., Minnery, J. (2019): Risk Perception and Risk Communication: Lessons from Brisbane's 2011 Floods. In: *Disasters Journal* 43(1), 110–134.
- Kammerbauer, M. (2019): Resettling Grantham. In: *TOPOS* 108.
- Kammerbauer, M., Mateo-Babiano, D., Minnery, J. (2018): Planning and Governance for Disaster Recovery in Tacloban after Typhoon Haiyan. In: *New Trends for Governance of Risks and Disasters: Theory and Practice*, G. Forino, S. Bonati, L. Calandra (eds.), London: Routledge.
- Kammerbauer, M. (2016): Anpassung und Resilienz räumlicher Transformationsprozesse: Tacloban nach dem Taifun Haiyan auf den Philippinen. In: *Dérive* 62/2016.
- Kammerbauer, M., Mateo-Babiano, D. (2015): Disaster governance for sustainable recovery of infrastructure and housing in Tacloban (NUS ARI Workshop presented paper, 5-6 March 2015, Singapore.)
